MY EDUCATION

MSC COMPUTER SCIENCE | SRI HARI DEGREE & PG COLLEGE | 7.8 CGPA

2019-2021

The M.Sc. in Computer Science program provided advanced knowledge and skills in core and specialized areas of computer science, including algorithms, artificial intelligence, data science, and software engineering. The curriculum focused on both theoretical foundations and practical applications, equipping me with expertise to solve complex computational problems.

WORK EXPERIENCE AT NFC SOLUTIONS / 2022 - PRESENT

WEB & MOBILE APP DESIGNER

I have worked on projects such as Intelistaff, Calmscient, and SQRCICO, utilizing technologies such as Figma, wireframes, Visual Studio, Adobe XD, Photoshop, and Illustrator.

CROSS-FUNCTIONAL TEAMWORK

Proven ability to work closely with product managers, developers, and stakeholders to align on project goals and deliverables.

PRODUCT, BANNERS & SOCIAL MEDIA POSTS DESIGNS

I specialize in designing creative and visually appealing products, banners, and social media posts that align with brand identity and engage audiences effectively. Using tools like Adobe Photoshop, Illustrator, Figma, and Canva, I craft designs tailored for various platforms, including websites and social media. My focus is on creating impactful visuals for product promotions, advertising campaigns, and social media engagement, ensuring consistency and high-quality results across all formats.

UI DEVELOPER (HTML/CSS)

Write well-structured and semantic HTML to build the structure of the web pages. Use CSS for styling, layout, and ensuring that the design matches the intended look and feel.

RESPONSIVE & ADAPTIVE DESIGN
